Feature Story

May is Hepatitis Awareness Month

Libby Guthrie, Executive Director of Mendocino County AIDS/Viral Hepatitis Network (MCAVHN) identifies the high rate of Hepatitis C in our community and what MCAVHN is doing to address this silent epidemic.

"Mendocino County AIDS/Viral Hepatitis Network—has a longstanding reputation as the AIDS service agency in our community, and these services will continue as long as they are needed. But we cannot ignore another tremendous health risk that is affecting a critical mass of today's county population: Hepatitis C (HCV)."
